

Pinwheels for Prevention

Coloring Sheet

The pinwheel represents the happy, healthy childhood every child deserves. By focusing on prevention, communities and individuals can protect children, strengthen families and raise awareness about the need to stop child abuse and neglect.

What you need:

Scissors Straight pin
Pencil with eraser Colored pencils or markers to decorate

How to get started

Cut out the pinwheel on this page. Color or decorate with colored pencils or markers. Following the lines on the template, cut in from all four corners, leaving about two inches of the center uncut. Gently bend (don't fold) one of the corners with a gray circle to the center point. Skip the next corner and bend the next one. Repeat until all four points meet in the center. Stick the straight pin through all four points and back of pinwheel. Stick the pin into the pencil eraser. Find wind and test!
